Re: Spectrum Quarry
Millard County, Utah

Dear Mr. Gatto:

This is to acknowledge a receipt of a completed Form MR-1 from Merd Corporation.

The filing as you have made it is incomplete and requires more information. Among the things needed for submission to the Division are a completed MR-2 - Mining and Reclamation Plan, a narrative addressing the subsections in Rule M-10 - "Reclamation Standards" and a map showing the particulars of the areas to be mined and reclaimed. Details relative to the construction of the map can be found in Division Rule M-3.

Enclosed are the necessary forms for compliance as well as a copy of Rule M-10. Upon receipt of the above mentioned additional items, the review process for the Spectrum Quarry Mining and Reclamation Plan will begin.

Please contact this office if you have any additional comments.

Sincerely,

Ronald W. Daniels
